

A BETTER VIEW FROM THE CAB MEANS BETTER PRODUCTIVITY

Helping you make your business run at its best is what we're all about. That's why, when we heard drivers needed to be able to see more from their cabs, we created the WorkStar® Heavy-Duty Diesel with an available sloped hood, giving it best-in-class visibility. The improved view from the driver's seat makes operating WorkStar on job sites easier and safer. What's more, the optional Eagle® interior provides drivers with superior comfort and style. A premium interior and the best view in the business keep your drivers happy and your business running more efficiently.
